

ENCRYPTION TRAINING PROJECT.

INITIATIVE: RAISING NEW HEROES

TOPIC: WHY ENCRYPTION MATTERS!

CATEGORY: COMIC STORY

THEME: Don't be like Jus| Voice out to help a Jus

1. FOCUS AREAS:

- ✓ Secure Messaging Apps-End to End Encryption
- ✓ Ecommerce
- ✓ Web Browsing-Digital Certificates-SSL/TSL
- ✓ End Point Encryption for Devices.

2. STORY

- ✓ Involves 3 characters, Jus, Joe and a bad guy
- ✓ Jus plans a business meeting with Joe however using an encrypted messaging platform
- ✓ Joe asks Jus to come with some snacks
- ✓ Jus orders for snacks via a non-secure site <http://orderforsnacks.com/orders> and her credit card details are exposed to a bad guy
- ✓ A transfer is made from Jus's account by the bad guy and Jus gets a financial loss
- ✓ On the way to meet Joe, Jus is also attacked by the bad guy who listened to their communication and her laptop is stolen
- ✓ The bad guy successfully cracks Jus's login password
- ✓ since there was no data encryption, Jus's business information and Personal data is compromised.

3. PRAYER

- ✓ Join the ISOC encryption community to learn more about the Role of encryption, protecting yourself with Encryption and Not be like but help people like Jus
